Dear Parents, Guardians, and Students,

We are excited to announce the Supplemental Educational Service (SES) program, offering free after-school academic assistance in Math and English. The program will run on Mondays and Thursdays from October 17, 2024, through May 29, 2025, from 3:15 PM to 4:45 PM. Students can sign up for one, two, or all three sessions:

- **Fall Session:** October 17, 2024 - December 19, 2024
- **Winter Session:** January 6, 2025 - March 10, 2025
- **Spring Session:** March 13, 2025 - May 29, 2025

The SES program prioritizes students based on academic needs as defined by the district. Accepted students are required to attend at least 75% of each session due to limited space and the importance of continuity. Continued placement in the program depends on attendance and performance. Students who do not meet participation requirements may be removed from the program.

We will provide courtesy transportation home and a snack for all participants.

For further information, please contact the SES coordinator, Mrs. Anjali Wahi, at [awahi@pcti.tec.nj.us](mailto:awahi@pcti.tec.nj.us).

Best regards,  
Mrs. Anjali Wahi  
SES Coordinator
