Summer Packet Grading

- On the first day of school, the teacher will check for completion/effort of the packet.
Be sure to show all your work!!!
- **This will be weighted at 50%.**
- Teacher will then review the packet with the students.
- Upon completion of the review, the students will be given an assessment based on the summer packet.
- **The assessment will be weighted at 50%.**
- **The two weighted scores combined will count as one project grade.**
- Therefore, the grade for the summer packet will be placed under the “Project” category.
