

## PRESS RELEASE

# Music Students Make the Cut “Jazz for Teens”

**Wayne, NJ – FOR IMMEDIATE RELEASE** – Nine students of Passaic County Technical Institute’s (PCTI) Music program were accepted into the Wells Fargo “Jazz for Teens” education arts program. The organization encourages students to work with professional musicians, thereby deepening their understanding of jazz technique and history.

Students will explore new styling and techniques, as well as experience the opportunity to jam alongside jazz musicians. They will also write music and perform.

Congratulations to PCTI’s vocal and instrumental performers on their induction into the “Jazz for Teens” program!
