## PCTI Partners with AIG for Shadowing Opportunity

**Wayne, NJ – FOR IMMEDIATE RELEASE** –The American International Group, Inc. (AIG) has been providing educationally enriching shadowing opportunities to students of Passaic County Technical Institute’s (PCTI) Academy of Information Technology. On October 30<sup>th</sup>, twenty-six students of PCTI’s School-to-Careers program visited AIG sites to learn about team based operations from IT personnel.

In addition to this learning venture, AIG will conduct a speaker series for the school’s Computer Science and Computer Repair classes throughout the year. They will also offer the opportunity for one of PCTI’s instructors to enhance their knowledge of business and operating systems by working at their facility during the summer months. PCTI is extremely thankful for their partnership with AIG and for the varied opportunities provided by this prestigious company.

**Students of PCTI's Academy of Information Technology, STC program members, and instructors join AIG personnel to celebrate their successful shadowing partnership.**
